death she went west and resided in
Colorado until about three months ago,

Pal O'Brien Was Recognized to Appear
Before the Grand Jury in
April.

OTHER POLICE COURT NEWS OF TODAY

David Hall, colored, who has been
living here for a number of years, was
arrested this morning on a charge of
bigamy.

Frankie Hall, of Milan, Tenn., ar-
rived with the necessary records yester-
day. They show that he married
her in Tennessee in 1893.

The records in the county clerk's
office here show that he was married
to his wife on December 1, 1897, by
Rev. W. S. Baker. The claim is he
was never divorced from his first wife.

The defendant's bond was fixed at
\$400 and he will be tried tomorrow.
Hall was arrested by officers Gray
and Clark.

Pat O'Brien, the river man charged
with stealing \$20 at the Little Mc-
tropolis Hotel from John Hart, of Illi-
nois, eight before last, was this morn-
ing recognized to appear before the
next grand jury. There was no other
evidence against him, and he will
probably leave town and it will be the
last heard of him. Hart failed to
show up today.

James Halpin, for being drunk and
disorderly, was fined \$5 and costs by
Judge Sanders this morning.

The case against Andrew Washing-
ton, colored, charged with stabbing
John Napper, colored, is set for tomor-
row in the police court.

Pat Hogan, Geo. Sims, Chas. Calli-
han, Geo. Young and Arthur Ward,
charged with vagrancy, were released
and given hours in which to leave
town.

Frank Perry, colored, for mistreat-
ing his wife, was fined \$10 and costs.

Leo Brooks was fined \$1 and costs
for a plain drunk.

COMES BACK AT BECKHAM.

JUDGE BARKER AND ATTORNEY
KINKADEE RESENT IN
JUSTICE.

Louisville, Feb. 28.—Judge Bark-
er, of the criminal court, from the
bench today dissected Gov. Beck-
ham's reasons for pardoning gambler
Alvey. He said Beckham's reasons
were fallacious and absurd and his
reference to the court false. Com-
monwealth's Attorney Kinkadee de-
manded an investigation by the bar
and five prominent Democratic attor-
neys were appointed a committee to
investigate. Gov. Beckham is gener-
ally roundly criticized.

THE ARMY BILL.

WAS PASSED BY SENATE LAST
NIGHT BY DECISIVE VOTE.

Washington, Feb. 28.—The army
appropriation bill was passed by the
senate last evening. There was a
warm discussion but the bill went
through by a vote of 49 to 15, after
amendments had been carried by decisive
votes. The bill gives power to the
president in the Philippines and also
carries the Cuban rider. The dis-
cussion developed much opposition to
the extra session.

\$10,000 DAMAGES.

FORMER HOTEL MAN OF MAY-
FIELD SUES A TENNESSEE
MAN FOR ALIENATION
OF WIFE'S AFFEC-
TIONS.

Suit has been filed in the circuit
court at Mayfield by J. J. Meadows
against W. S. Stevens, the latter of
near Dukesboro, Tenn., for \$10,000
damages. The plaintiff alleges that
the defendant, who is quite wealthy,
induced the plaintiff's wife, a short
time after marriage to go with him to
his farm, where he alienated her affec-
tions. Meadows was formerly prop-
rietor of the Broadway hotel at May-
field.

WILL SUE FOR LOSS.

John L. Jones, the local furniture
man, is making preparations to file
suit at Mayfield against the insurance
company for loss by fire on his stock a
short time ago. They have not been
able to come to an agreement about
the amount of the loss.

THE "HOO HOOS."

BIG CONCATENATION WILL TAKE
PLACE HERE MARCH 9.

About Thirty Victims Will Be Dragged Be-
hind the Clanking Chains to
Moundville.

The Hoo Hoos, whose emblem is a
black cat and which is a popular or-
ganization for inmates here, railroad
men and foundrymen, are to have a
big concatenation here on the evening
of Saturday, March 9.

It will be the first held in Paducah
in several years, and a huge crowd
of the jolly Hoo Hoos is expected from
many other cities.

It is thought that about thirty
candidates will be initiated, mostly from
Paducah. Some of them, however,
will be from Kentucky, Princeton,
Louisville, Chicago, and other places.

The concatenation begins at 7
o'clock and is preceded by a street
procession in which the victims are
chained and marched to the great dol-
lars' music that is possible to make.

In the Hoo Hoos everything runs on
a 99.99 dime.
After the concatenation there will
be a big banquet at the Palmer Home.

G. A. R. DECLINES TO PARTICI-
PATE IN INAUGURAL PRO-
CESSION.

Washington, Feb. 28.—Veteran
organizations of the civil and Spanish
wars have officially declined to partici-
pate in the inaugural parade on
March 4.

The decision affects organizations in-
cluding G. A. R., the Union Veterans' union
and the Spanish war veterans.

The dissatisfaction of the veterans
with the place assigned them in the
parade is responsible for this action. It
was their wish to act as the personal
escort to the president. Grand Mar-
shal Green on the contrary assigned them
to a position in the line ahead of
the civil organizations and following
the national guard.

Gen. Daniel Sickles today notified
Gen. Green that the veterans had de-
clined to participate in the parade and
tendered his resignation as marshal
of the veteran division.

ored negro 20 years old, stabbed his

THE CAR- NIVAL

Several Carnival Representatives
are Expected in the
City.

10,000 BUTTONS ORDERED

Monday the Committee Will Begin
Selling Booth Space Rentals
From Merchants.

THE ELKS WILL MEET TONIGHT

The Elks committee is making rap-
id progress in its arrangements for the
May carnival.

Mr. E. W. Haskell, of Columbus,
O., representing the Canton Carnival
the will arrive Monday, and Mr. Will
S. Haskell, of Louisville, will also ar-
rive as representatives of another large
company.

Buttons are being received
from all over the city, and people are
making up various attractions, and
the committee is spending nothing to
make the carnival the largest attrac-
tion in the city has ever had.

The Elks committee will begin
selling rentals for booth space and
will call on all the merchants. Many
have already virtually engaged booths,
and the committee will doubtless meet
with the success anticipated.

The Elks meet tonight in regular
session, and Messrs. E. E. Porter, the
cash register man, and Mr. W. H.
Morgan, the latter of Motropolis,
will be initiated.

EASY TO GAIN WEIGHT.

PUT ON HALF A POUND AN
HOUR FOR TWO DAYS.

Trouton, N. J., Feb. 28.—The phy-
sicians of Trouton, N. J., are puz-
zling over the case of Joseph Geskie,
who increased his weight 24 pounds in two days by
lying in bed and eating clams and
luncheon. Geskie appeared at a reunit-
ing station. His clothes were in tatters
and he had a hungry look.

"I want to join the army," he said
to the recruiting officer. "I've boot-
ed it all the way from Connecticut,
and I reckon I don't look as cute as I
might, but I can't fight. I'll show up
all right, I guess in a uniform."

When Geskie got on the scales he
found the scale at 128 pounds. "Too
light for our use, young man," said
the officer, "you ought to weigh up in
the forties somewhere."

Two days later Geskie reappeared
at the recruiting station, looking the
picture of health. His face was full
and his stomach well rounded.

"I reckon I can't do the mark now,"
he said as he walked across the room
and stepped onto the scales. The officer
weighed him and he struck the
152-pound notch.

The officer was astonished and
searched Geskie's clothes for hidden
weights, but could find none. "How
did you manage it?" he asked.

"It's easy enough," Geskie answered.
"I've been able to change my
weight ever since I was a boy. I
went to a hotel and went to bed. I
thought three dozen clams and lun-
cheon as fast as I could."

The name of Joseph Geskie was
added to the list of volunteers.
